Mr. Robert Werner
Enforcement Officer (6SF-TE)
U.S. Environmental Protection Agency, Region 6
1445 Ross Avenue
Dallas, TX 75202

Dear Mr. Werner:

I write on behalf of Proler Southwest Corporation ("PSW") to follow up on our recent conversation and my conversation with Ms. Salinas, and to respond to your General Notice Letter ("Notice") for the CES Environmental Services, Inc.- Houston Superfund Site ("Site").

As we discussed, while PSW is willing to work with EPA and/or other potentially responsible parties to try to come to a resolution of any potential responsibility PSW may have with respect to the Site when the appropriate time comes, it appears that it may be too early for PSW to agree to participate in any "PRP Group" or cleanup at this time. As additional information develops concerning PSW's contribution to the Site, we may revisit this determination.

Thank you so much for your assistance in this matter. Please do not hesitate to contact me with comments or questions.

Sincerely,

David H. Quigley
